

Map of Tropical Cyclones (Hurricanes) 1985-2005

Hurricane and Climate Student Sheet

Key: Saffir-Simpson Hurricane Scale

 Tropical Depression  Tropical Storm

Category:     

The map above shows the paths of all tropical cyclones that occurred between 1985 and 2005. Tropical cyclones are also known as hurricanes. The color of each path indicates the strength of the storm (according to the Saffir-Simpson Hurricane Scale). See key at left.
